## **1.Doggy Shit Bags**

Millions of dog walkers  
Every day  
Pick up a ton of shit  
Then throw it away

Big boots and wellies  
Trample the lands  
Doggy shit bags  
And smelly hands

## **2.Danger Mouse**

We call our hamster  
Danger mouse  
Cos he chases the cat  
All over the house

Mum said the cat  
Is a right old fairy  
Even though the hamster  
Is rather scary

### **3. Grandad Mike**

Grandad Mike  
Sat on my cake  
His enormous buttocks  
Began to shake

He crushed the candles  
That I'd just lit  
His arse glowed brightly  
When he took a shit

### **4. Nosy Nellie**

We call our neighbour  
Nosy Nellie  
She loves to gossip  
She's fat and smelly

She lost her false teeth  
And couldn't smile  
That kept her quiet  
For a while

## 5. Dodgy Trolley

I wish my trolley  
Wouldn't squeak and groan  
It seems to have  
A mind of its own

I push it left  
But it goes right  
It's always looking  
For a fight

## 6. My Belly

Does it matter if my belly  
Is fat or flat?  
Why do you care anyway?  
You nosey twat

So I'm going grey  
What's the big deal?  
Have you looked in the mirror lately?  
You imbecile

## **7.In Layman's Terms**

In layman's terms  
I'm sick as a parrot  
I'm common as muck  
And thick as a carrot

No one comes near  
They'll catch the bug  
I've got as much charisma  
As a garden slug

## **8.Bingo Pete**

Bingo Pete  
And plasterer Stan  
Fiddle the state  
As much as they can

Sparky Sid  
And painter Max  
Pay no insurance  
Or income tax

## **9.Hemorrhoids**

They're back again  
Filling smelly voids  
Those throbbing sobbing  
Hemorrhoids

They hurt like hell  
They're horrible to me  
I must get some cream  
From my GP

## **10.Miss Honey**

Your dog always pisses  
On my car  
Do you know why?  
Asked Mr Parr

I've no idea  
Replied Miss Honey  
But you've got to admit  
It's rather funny

## 11.Wasp

I wish this wasp  
Would leave me alone  
It follows me outside  
And in my home

It's driving me crazy  
It never ends  
I wonder if it's lonely  
And has no friends

## 12.Gran

Gran always brings us  
A little surprise  
Last week it was lucozade  
And apple pies

She once brought a gas mask  
And a ration book  
A gramophone record  
And a pink dead duck

### **13.Grimethorpe**

Grimethorpe in Barnsley  
Has a famous brass band  
Some say they're incredible  
The best in the land

They play all the classics  
Without any flaws  
They give up their puff and spit  
In exchange for applause

### **14.Obnoxious Man**

Give me your best shot  
Said the obnoxious man  
Punch me in the face  
As hard as you can

I won't hit you back  
Go on be bold  
The man took a swing  
And knocked him out cold

## 15.The Little Fly

The little fly sticks  
To the white wet paint  
It can't fly away  
It's under restraint

I try to help out  
I poke and prod  
I pull off its legs  
I'm a right clumsy sod

## 16.Grumpy

I'm old and grumpy  
Sexless and bored  
I've lost all my drive  
I'm no longer adored

My own teeth and hair  
I'd be like George Clooney  
Or Lionel Blair

## **17. Birthday Blues**

They brought me coffee  
I broke a tooth  
Eating Thorntons toffee

I got one card  
From the local vet  
This birthday has been  
The worst one yet

## **18. Bingo Wings**

They're horrible things  
Those bingo wings  
They bounce around  
Like their on springs

They interfere  
With your mood swings  
Even Kings  
Have bingo wings

## 19. My Horrible Boss

My horrible boss  
Gave me the sack  
I was so determined  
To get him back

I slashed his tyres  
And shit on his car  
Then pissed on his roses  
And stole his front door

## 20. Big Toenail

Daddy's big toenail  
Has grown so large  
Why doesn't he cut it?  
Asked little Marge

Mummy smiled  
It's quite bizarre  
He's growing a plectrum  
For his guitar

## 21.Ladybird

A red and black ladybird  
Lands on my arm  
I pick it up gently  
I mean it no harm

I look at it closely  
I recognise the face  
I've seen this ladybird  
All over the place

## 22.Fungal Nail

It starts off looking  
Pink and frail  
Then suddenly turns into  
A fungal nail

We've become quite attached  
I have to say

## **23.Happy Meal**

I'm up shit creek

I'm tired of jumping  
Back on the saddle

Whatever I do  
It's just no good  
I'm sinking quicker  
Than a ton of mud

## 25. Before I Die

Will you fix my roof  
When the rain seeps in?  
Will you nourish my body  
When it's weak and thin?

Will you dry my tears  
When I breakdown and cry?  
Will you hold me tightly  
Before I die?

Will you beat me senseless  
Black and blue?  
Will you crush my face  
Like you always do?

Will you set me free  
And let me fly?  
Will you do these things  
Before I die?

## **26. Brexit**

Agreed with me

The next time
